crab... get cracking

 **Plus:** choosing antique furniture, tasting Chilean wine, discovering endives and catching fresh seafood from California...

hot stuff

Cool Shoes

Who doesn't love Crocs? They are the footwear phenomenon that has swept the world with men, women and kids all wearing the ultra-lightweight clogs. Now there are even more designs to choose from – including the preppy-style Islander, which is available in eight colour combinations, and the slim fitting Prima, a fresh take on the ballet slipper available in black, pink, gold and silver.

Treeson Huggers

Bubi Au Yeung is a Hong Kong illustrator who has created the character of Treeson, a kind creature brought up by the trees in the forest. He's a cute art toy that has inspired legions of dedicated followers and is now available in LOG-ON in limited quantities only. So hurry!

Ⓜ

Herbal Healing

The Herbie Herbal Pillow is a huggable heated herb pillow from Australia, filled with organically treated wheat and soothing aromatic herbs designed to lull you into a gentle state of relaxation. Simply heat it in the microwave for three minutes and enjoy 45 minutes of pure herbal bliss.
